The festive season shines bright at Marina Bay Sands with Disney's Moana

Lead star of Disney's latest film Moana to kick off year-end festivities at Marina Bay Sands' annual light up

Singapore (4 November 2016) – Marina Bay Sands will kick off this year's festive season with its annual tradition of a special light-up of the integrated resort.

This year, the star of Disney's latest animation film *Moana* will make her way to the shores of Singapore to help launch the year-end festivities at Marina Bay Sands.

Teenage star Auli'i Cravalho, who voices the lead character of Moana in the film, will be joined by the film's producer Osnat Shurer and two Southeast Asian artists – Singaporean lighting artist Roger Lee and Indonesian visual development artist Griselda Sastrawinata – for the special light-up ceremony at ArtScience Museum at 8.15pm on Wednesday, 9 November.

Celebrate with Moana's cast and crew and be entertained with a stage performance by the Polynesian TeVaka dance troupe as they come together to illuminate the integrated resort for the festive season. This special event is free and open to members of the public.

However, in the event of rain, the light-up ceremony will be moved indoors, and due to space constraints, will be limited to members of the media.
