K-pop megastars PSY and RAIN to kick-off the launch of **Oh-K!** series during MARQUEE Singapore's 4th Anniversary celebrations

SINGAPORE (17 March 2023) – K-pop royalty will rule the night at MARQUEE Singapore this April as the entertainment powerhouse celebrates its 4th anniversary weekend with none other than Korean top stars PSY and RAIN. The two Asian megastars will be staging their debut performance for **MARQUEE Elysian**, which is part of the ongoing **Sands Live** series. The three-day extravaganza will also see the launch of **Oh-K!** – a brand-new series that celebrates the best of South Korean entertainment.

Press Release

Supported by Korean performance group MUSIUS, PSY and RAIN will be taking centre-stage on Saturday, 8 April for a three-song showcase.

PSY and RAIN's performances are brought to Marina Bay Sands as part of a wider line-up this year for the integrated resort's **Sands Live** series – an expanded initiative from its original concert series to bring in top entertainment acts and the biggest stars from Asia and beyond, across venues and presentation styles. Aside from their appearance at MARQUEE, the duo will also be at Marina Bay Sands for an exclusive and upscale private event for VIP guests and premium customers the same weekend. More acts will be announced under the **Sands Live** banner, with more information to be unveiled via the series' [website](#).

PSY is a Korean singer, rapper, songwriter and record producer best known for his viral hit song "Gangnam Style" – arguably the biggest single of his storied career. His viral track became an international sensation, earning him a series of awards and Guinness World Records. As a result of his achievements, he has been considered the first K-pop artist to make a breakthrough in the Western music industry by putting South Korea's pop music on the global map. PSY last performed at Marina Bay Sands in 2012, and will be back for the first time in 11 years to bring fans an epic performance during MARQUEE's Anniversary celebration.

Veteran performer RAIN, who last performed in Marina Bay Sands in 2014, is one of K-pop's biggest icons. The South Korean megastar achieved international superstardom when his third album recorded sales of over a million copies in Asia. He has since won numerous accolades for his work in both music and acting, and was lauded in TIME Magazine as one of the 100 most influential people in the world.

As the event theme suggests, **MARQUEE Elysian** will see the venue transform into a fantasy realm illuminated with neon glow, inviting revelers to traverse a mythical world beyond imagination. Kicking off the festivities on 6 April is Timmy Trumpet, known for his live trumpet performances and dance tracks, followed by MaRLo on 7 April, who will be bringing his hypnotic trance hits to the floor. The weekend will culminate in a grand birthday bash on the third night with PSY and RAIN.

These phenomenal artists are part of a star-studded line-up MARQUEE is rolling out for the entire month of April, joined by Yellow Claw and Sebastian Ingrosso.

Since its launch in 2019, MARQUEE has established itself as one of the hottest party venues in Singapore. The three-storey venue boasts unique features including the Big Q Ferris wheel and Sunny Slide Up, state-of-the-art technology, and cutting-edge sound. A series of high-caliber acts and performances have also bolstered MARQUEE's status as a go-to party destination in the region. MARQUEE has hosted some of the world's greatest names in electronic music and entertainment, from well-loved resident DJs to global headline acts such as DJ Hyo, Jackson Wang, Nicky Romero, Tiësto, Zedd and Calvin Harris.
