Singapore (19 July 2019) – From 2-4 August 2019, members of the public can help raise funds for over 80 local charities when they visit the many attractions at Marina Bay Sands.

As part of our annual three day Sands for Singapore Charity Festival, proceeds from our attractions – ArtScience Museum, Sands SkyPark Observation Deck, the Sampan Rides and Digital Light Canvas – will be donated to Community Chest.

In its seventh year, the Festival is the signature event of Marina Bay Sands’ award-winning Corporate Social Responsibility (CSR) programme, Sands for Singapore. Over 10,000 Team
Members from Marina Bay Sands will be mobilised to reach out to the community, volunteering with multiple social service agencies that serve families, children and the elderly.

The 2019 edition sees the integrated resort playing host to multiple fundraising events organised by its designated charities - Association for Persons with Special Needs (APSN) and the Cerebral Palsy Alliance Singapore (CPAS). Capping off the three day Festival is the Community Chest Heartstrings Walk and Race to the Sky Vertical Marathon, with both events to be held on 4 August.

Last year’s Community Chest Heartstrings Walk drew over 8,000 members of the public

In its ninth year, the walk and vertical marathon are jointly organised by Marina Bay Sands and Community Chest. Taking place at the Marina Bay Sands Event Plaza, this year’s theme, “Step Forward, Towards Inclusion”, will bring together people from all parts of the community, partners, volunteers and social service users, to signify a collective effort to build one community that shares, and a nation that cares.

The public can join in the fun and do their part for charity by participating in the 4-kilometre Fun Walk along the Marina Bay Waterfront Circuit together with Community Chest's volunteers and social service users. Corporate teams can register for the Race to the Sky Vertical Marathon up 57 floors to Sands SkyPark Observation Deck, and win attractive prizes sponsored by Marina Bay Sands while doing their part for local charities. All funds raised will go towards Community Chest. Members of the public may visit this link to register for the activities.

Over S$23million has been raised since the inaugural Charity Festival in 2013, supporting underserved causes and local charities. Marina Bay Sands has also uplifted the lives of the
special needs community as well as families and children through its corporate giving initiatives. Some of these heart-warming stories will be highlighted through short and impactful videos in this year’s “Sands for Singapore mini-series”, and will be told through the voices of those whose lives have been positively impacted by the charitable contributions.

The first video in this series puts the spotlight on the Cerebral Palsy Alliance Singapore (CPAS), with the story being told from the perspective of a bus driver who ferries beneficiaries using a special hydraulic bus equipped with dedicated wheelchair spaces. The purchase of this bus was made possible with a S$160,000 donation from Marina Bay Sands to CPAS in 2018.
