Producer Kerry Comerford of The Really Useful Group said “THE PHANTOM OF THE OPERA is an exceptionally unique musical for so many reasons, and sits in a class of its own. It has received incredible acclaim over the years, and to this day remains unrivalled by other musicals in its world-wide successes.”

“This touring production of THE PHANTOM OF THE OPERA is as fine as any version you might see on the West End or Broadway - it is the same exquisite design that the audience is familiar with, and we invest a great deal to ensure it is of the highest standards. Our stellar cast assembles the industry’s best performers, with members coming from leading entertainment destinations of the world; UK, USA, Europe, Australia and South Africa. THE PHANTOM OF THE OPERA has enjoyed huge success throughout the Asia-Pacific region, having experienced a sold-out season in Singapore in 2007 as well as Shanghai and Seoul, and I am confident that audiences in Singapore will welcome the return of this legendary musical.”

The Chief Executive of Lunchbox Theatrical Productions, James Cundall, who is presenting THE PHANTOM OF THE OPERA in Singapore in conjunction with BASE Entertainment Asia, said “It is an enthralling show which epitomizes all that is great about musical theatre – an unbelievable score, a powerful story, lavish sets and costumes, and most importantly, an unforgettable experience. THE PHANTOM OF THE OPERA is a worldwide sensation which will take Singapore audiences on a spectacular journey.”

Mr. George Tanasijevich, President and Chief Executive Officer of Marina Bay Sands said, “THE PHANTOM OF THE OPERA is a timeless Broadway classic. We are proud that one of the most respected
musicals of all time joins the league of the other successful Broadway style shows we have brought to Singapore."

**THE PHANTOM OF THE OPERA** tells the story of a disfigured musical genius known only as ‘The Phantom’ who haunts the depths of the Paris Opera House. Mesmerised by the talent and beauty of a young soprano - Christine, the Phantom lures her as his protégé and falls fiercely in love with her. Unaware of Christine’s love for Raoul, The Phantom’s obsession sets the scene for a dramatic turn of events where jealousy, madness and passions collide.

With 130 cast, crew and orchestra members, jaw-dropping scenery, breathtaking special effects and more than 230 costumes by international designer, the late Maria Björnson, **THE PHANTOM OF THE OPERA** contains some of Andrew Lloyd Webber’s most famous and stirring music, including “The Phantom of the Opera”, “Music of the Night”, “Angel of Music” and “All I Ask of You”.

The timeless, romantic and much-loved musical has been honoured with seven prestigious New York Tony Awards including Best Musical, seven Drama Desk Awards and three Olivier Awards.
