Luscious mooncakes at SweetSpot and The Shoppes at Marina Bay Sands

*Integrated resort's restaurants roll out festive indulgence
this Mid-Autumn Festival*

Singapore (1 September 2015) – Marina Bay Sands has lined up a delectable spread of traditional favourites and innovative creations to celebrate the Mid-Autumn Festival this year.

Mooncake creations from SweetSpot, Double Egg Yolk White Lotus Seed Paste, Chef Christie's Chewy Coconut & Cherry snow skin mooncake

Taking centre stage this year is SweetSpot's brand new **Chewy Coconut and Cherry** snow skin mooncake by Marina Bay Sands' Executive Chef Christopher Christie. Inspired by his childhood favourite Bounty bar candy with chocolate and coconut, Chef Christie's new snow skin mooncake features a white chocolate ganache centre with Malibu rum, macerated maraschino cherry and filled with candied coconut flakes, white lotus seed paste and butter cake crumbs for contrast in textures and flavours.

SweetSpot's **Salted Caramel Almond Crunch** makes a return with its velvety blend of salted caramel, chocolate and crunchy almonds encased in soft snow skin. Another SweetSpot snow skin classic mooncake for chocolate lovers is the **Dark Chocolate Orange Grand Marnier** with dark chocolate ganache and hints of bitter orange from the liqueur.

Traditional mooncake fans will delight in the silky smooth and luxurious **White Lotus Seed Paste with double egg yolks** that are baked to perfection in its golden-hued crust.

Available from now to 27 September 2015, the exquisite mooncakes are presented in an elegant box designed to resemble a Chinese lantern that skillfully blends elements of art and tradition.

SweetSpot's mooncakes are available exclusively at Marina Bay Sands and guests can head to SweetSpot at Hotel Lobby Tower 3¹ to purchase them. The mooncakes are priced from S\$62 for a box of eight snow skin mooncakes to S\$68 for a box of four traditional mooncakes.
