

"I Must Have Changed Several Times Since Then"

Congratulations, you made a character! Since today is their birthday, let's make them a story as a present!

The first sentence of the story has been written for you to continue with your imagination. Write, draw or do both to finish your own wonderland story.

That Witty White Rabbit left prompts for you too! Feel free to use them or leave them, it is your wonderland after all...

STORY TIME

There was a table set out under a tree

SOME TROUBLE
THIS WAY?

A HAPPY ENDING?
